TIZWAY

Bay. c, 2005 Tiznow – Bethany by Dayjur

Tizway is a multiple New York grade one winner, who captured one of the fastest ever renewals of the sire-making Metropolitan Mile. He is by the exceptional sire Tiznow, and his dam, a multiple stakes producer, is by a Champion Sprinter from the prolific stakes producing family of Will's Way, Willa On The Move, and grade one sire Citidancer.

Recommend Crosses

Tizway has **Mr. Prospector** in the center of his pedigree through his daughter, the Champion Sprinter, Gold Beauty. This would invite crossing Tizway back over branches of **Mr. Prospector** that have worked under Tiznow. **Gone West** would be particularly interesting here, and can be found through **Elusive Quality**, **Grand Slam**, **Mr. Greeley**, **Speightstown** (particularly interesting with Storm Cat in his pedigree), and **Proud Citizen**. Other branches of **Mr. Prospector** that have done well under Tiznow are **Seeking the Gold** (sire of **Mutakddim**, **Petionville**, and **Cape Town**), **Woodman** (both **Mr. Prospector/Buckpasser** crosses, as are **Miswaki** and **Mining**), and **Carson City**. The second dam of Tiznow's Champion Folklore is by **Fappiano**, who is by **Mr. Prospector** out of a mare by **Dr. Fager** (by **Rough' n Tumble**, the broodmare sire of Tiznow's male line ancestor, **In Reality**). **Fappiano** sons with **In Reality**, such as **Unbridled** (sire of **Unbridled's Song**), **Cahill Road**, **Pentelicus** and **Rubiano** (granddam is a sister to **Relaunch**, the grandsire of Tiznow) look particularly promising. Other **Fappiano** sources are **Quiet American** (inbred to **Dr. Fager**, and from the family of Relaunch's outstanding son, **Honour and Glory**), **Cryptoclearance** and **Roy**. **Crafty Prospector**, who also carries **In Reality**, might work well here. Tiznow has also sired grade one winner, Colonel John, out of a mare by **Turkoman**, from the **Alydar**, branch of the **Raise a Native** line.

Storm Cat appears in five Tiznow graded stakes winners, and would be particularly good with **Storm Cat/Mr. Prospector** and **Raise a Native** crosses, such as **Tale of the Cat**, **Storm Boot**, **Storm Creek** and **Forest Wildcat**, and would also be good through **Hennessy** and **Tabasco Cat** (both broodmare sires of graded winners by Tiznow), **Stormy Atlantic**, **Stormin Fever**, and **Forestry**. From other branches of the **Northern Dancer**, Tiznow has graded stakes winners from mares by **Dixieland Band** and his son, **Dixie Brass** (also suggesting **Dixie Union**, and, to inbreed to Tizway's family, **Citidancer**); and stakes winners out of mares by **Deputy Minister** sons **Dehere** and **Salt Lake**.

Tiznow is out of a mare by a son of **Seattle Slew**, but he has enjoyed success when crossed back over mares from this line, suggesting trying Tizway with **Seattle Slew** line mares. Two branches of **Seattle Slew** that have worked under Tiznow are **Slewpy**, and **A.P. Indy**. The **A.P. Indy** line could be brought in through **Pulpit** (sire

of **Sky Mesa** and **Tapit**, who brings in a sister to Tiznow's grandsire, **Relaunch**), **Malibu Moon**, **Mineshaft**, **Old Trieste**, **Stephen Got Even**, and **Jump Start**. Other **Seattle Slew** sources include **Capote** (sire of a stakes winning half-sister to Tizway, and available through **Boston Harbor**, and **Matty G**), **Vindication**, **Slew o'Gold**, **Septieme Ciel** and **Doneraile Court**. It would also be interesting to bring in **Seattle Slew** through **Gold Legend** (giving inbreeding to Champion Sprinter **Gold Beauty**). **Seattle Slew** is a **Bold Ruler** (by **Nasrullah**) line horse, and Tiznow is also sire of Dubai World Cup winner Well Armed, who is out of a mare by **Notebook** (from the **Raja Baba** branch of **Bold Ruler**. From the **Caro** branch of the **Nasrullah** line Tiznow has sired Canadian Champion Bear Now (out of a mare by **In Excess**, the sire of **Indian Charlie**). **Bold Ruler** though **Secretariat** appears to be a strain that works very well with Tiznow, appearing in ten of his stakes winners, five graded.
